School District of Lodi
CONCUSSION MANAGEMENT

No. 453.11
(A) 3-11-13
(R) 9-14-15

The Board of Education recognizes the safety of students is a primary concern in relation to their co-curricular program participation. The Board of Education in conjunction with co-curricular staff, health care providers and administration has developed a District Concussion Management Plan to guide district concussion education, concussion assessment, concussion action planning and return to co-curricular participation decisions.
