

STATE TOURNAMENT ATTENDANCE

No. 377.1
(A) 1-11-99
(R) 1-12-15

When attendance is not mandatory, the Board of Education will furnish season tickets equal to the number of paid and volunteer coaches to each athletic sport state tournament. The principal, assistant principal, district administrator and athletic director may also request tickets if they purchase their own.

If a coach wishes to take time off from school to attend a state tournament event, the school will grant the time providing prescribed leave guidelines and adequate advance notice is provided to the building administration so a substitute can be acquired.

Students who wish to attend the tournament may do so if they purchase their own ticket and follow the prescribed attendance policy for making up work prior to their attendance.

The district shall purchase tickets for district staff serving as chaperones for student spectators when a Lodi team is participating in a state tournament.

The district shall purchase tickets for the following individuals when a Lodi team is participating in a state tournament. Students representing the school in support of the team (i.e., Danz Team if performing, pep band if performing, cheerleaders, bus drivers, administrators and Board members). Tickets will be purchased by the district subject to funds being available.

Staff members may order tickets in advance through the district and provide a check for the appropriate amount made out to the WIAA at the time of order.
