

Policy No. 537.3 – Rule
Professional Organization Dues

The Board of Education recognizes and encourages its professional employees to join and take part in Professional organizations. The Board of Education will pay or reimburse membership dues to such organizations only as outlined below.

1. If professional dues are required as part of the registration for a district required staff development or in-service program.
2. If professional dues are required for students or district staff participation in regional state or national programs and/or competition (e.g. Forensics, music, athletics, FBCA, FFA, etc.)
3. If professional dues are a contracted obligation negotiated between district and individual employees.
