

Policy No. 751 Rule 2
OPEN ENROLLED STUDENTS

Students who open enroll to the School District of Lodi may be transported under the following provisions:

- A. Students will be transported from district/bus company pickup points within the boundaries of the School District of Lodi.
- B. Students will be transported on district designated bus routes, providing the route does not have to be altered and the bus does not have to cross district boundaries to pick up the student.
- C. Parents may request consideration for transportation of open enrolled students from the Board of Education.
