### Student Nondiscrimination

It is the policy of the School District of Lodi that no person may be denied admission to any public school in this District or be denied participation in, be denied the benefits of or be discriminated against in any curricular, extra-curricular, pupil services, recreational or other program or activity because of the person's sex, race, national origin, ancestry, creed, religion, pregnancy, marital or parental status, sexual orientation, or qualifying disability.

Complaints regarding this policy should follow the procedure outlined in the School District of Lodi's Board Policy #154, Discrimination Complaint Procedure, which can be found on the School District of Lodi's website at [www.lodi.k12.wi.us](http://www.lodi.k12.wi.us).

### Special Education Programs

The School District of Lodi provides special education programs for students with disabilities. These students are identified with a disability under state eligibility criteria by an IEP (Individual Educational Program) team and demonstrate a need for services. This process includes individual assessments and an IEP team meeting to determine eligibility. Each student identified with a disability has an IEP developed to meet his/her specific needs. It is the philosophy of the District to serve students in the regular classroom with support as much as possible. Students may also receive supplementary instruction or support in the special education classroom. Disability areas as defined by state and federal law include speech and language, emotional/behavioral, cognitive, and specific learning disabilities; hearing, vision, other health, and orthopedic impairments; autism; and significant developmental delays (for children ages 3 to 9 years). Students identified with disabilities may qualify for related services such as physical and occupational therapy. It is recommended that prior to making a referral, parents should talk to the child's teacher or guidance counselor about their child's needs. Parents, staff, medical and social services personnel may refer a child, however the parent must be informed prior to making the referral. Referrals of a child residing in the School District of Lodi should be made to the building principal, Sherri Endres-Lovell, School Psychologist, Andrea Sommerfeldt or Director of Student Services, Tiffany Loken at 592-3851. The School District of Lodi is in compliance with procedures related to Section 504 of the Rehabilitation Act.

**8. PARENT RESOURCES**

Parent resources are available for parents. Resources include information on managing children's behavior, developmental issues, parenting and special crisis issues such a death, divorce, student achievement, etc. A parent resource is located in the LMC. Take materials to the circulation desk in the LMC to check them out. Materials can also be found on the Parenting Bulletin Board by the main office.

**9. LOST AND FOUND**

To eliminate the large number of lost items, we ask that you **please put your child's name** on items such as lunch boxes and school bags. Names in jackets and clothing are necessary. Lost items will be placed in the lost and found area. Parents are encouraged to check this area often. Unclaimed items will be donated to a charity periodically throughout the year.

**10. STUDENT ATTENDANCE POLICY**

In accordance with Wisconsin Statutes 118.15, all children between 6 and 18 years of age must attend school full time until the end of the term, quarter, or semester in which they become 18 years of age or graduate. If a student is enrolled in a district 5K or Kindergarten program, they are subject to the same school attendance requirements.

Because the School Board realizes the value of regular attendance in enabling students to profit from the school program, it shall be the policy of the School District of Lodi to require regular and punctual attendance of all students.

**School Attendance Procedures**

The building principal or the principal's designee is designated to deal with matters relating to school attendance. (He/She) shall determine daily which pupils enrolled in the school are absent from school and whether the absence is excused. (Board Policy #531, II, A.-B.) *Because attendance is compulsory and is to be tightly monitored, parent(s)/guardian(s) must be aware that the principal or the principal's designee may require further evidence when an absence is deemed questionable.* The question of doubt is the right and the responsibility of the principal or the principal's designee.

**Excused Absences**

Excused absences include illness, family health emergency, death in the family and school sponsored trips. An excused absence may also be granted for **pre-arranged absences, up to a combined total of 10 days per year**, which have been pre-approved by the building principal or his/her designee. Pre-arranged absences require a written request from a parent/guardian before the absence. Pre-arranged absences include, but are not limited to (Board Policy #531, III, A):

- |                             |                    |
|-----------------------------|--------------------|
| Medical/Dental Appointments | Religious Holidays |
| Family Vacations            |                    |

### Unplanned Absences

Parent(s)/guardians(s) shall contact the school by email or telephone before 8:15 a.m. Call 608-592-3855 anytime to leave a message on our automated telephone system or you may speak directly with a school administrative assistance between 7:30 a.m. and 3:30 p.m. It is the parent/guardian's legal responsibility to assure student attendance at school. Students are expected to be in school every day that school is in session. Parents may request an excused absence, but the school has the legal right to decide whether an absence request will be excused or unexcused.

### Pre-Planned Absences

For **multiple-day** pre-planned absences, the parent must obtain a planned absence form from the office. The form requires the signature of the student's teacher. The completed form should be returned to the office before the scheduled absence.

A student who misses more than half of the morning session, up to, or after 9:45 a.m. or afternoon session, up to, or after 1:15 p.m. is considered absent for half a day. A student who misses more than half the total academic day (3.5 hrs.) is considered absent for the entire day.

## **11. TARDINESS**

Students are expected to be on time to school and to class. Being late to class not only creates a problem for the student, but also disturbs the entire class. Students are expected to be inside their classrooms by 8:05 a.m. every day. Every 3<sup>rd</sup> unexcused tardy will result in a missed recess.

## **12. ARRIVING LATE OR LEAVING THE BUILDING/SCHOOL GROUNDS**

A parent/guardian should send a note or call the office indicating the time and reason for each late arrival or early dismissal. Parents **MUST** check student's in/out in the primary school office. If you return during the school day, you must also check your child in at the office. Our official teacher work day is from 7:45 a.m. to 3:45 p.m., so students are asked **NOT** to come to school **BEFORE** 7:50 a.m.

## **13. STUDENT PLACEMENT**

Placement for each year is determined through a group effort by the principal, school counselor and teaching staff. Input from parents is considered as a part of this process. Serious consideration is given to the child's individual educational needs, social and emotional needs, ability level, or handicaps that require accommodation.

Parent Placement information forms are sent home with students in the spring, and are due back as indicated on the bottom of the placement form. Parents will be notified of placement at registration. All placements are final.

## **14. TELEPHONE CALLS**

Students will not be called to the office to take phone calls, and will not be allowed to make phone calls unless the teacher or office personnel consider them necessary. The office staff will take messages of extreme importance or emergencies.

### **MESSAGES FOR STUDENTS**

We deliver messages to students at approximately 2:30. We encourage you to make plans with your child before he/she leaves for school. Changes in plans can be very confusing to young children and often cause more anxiety than benefit. If you need to make a change for after school arrangements, please call by 2:00 p.m.

PLEASE DO NOT LEAVE A MESSAGE FOR A CHANGE OF AFTER SCHOOL PLANS ON A TEACHER'S VOICE MAIL. YOU MUST TALK TO THE OFFICE TO ASSURE THE MESSAGE REACHES THE STUDENT BY THE END OF THE SCHOOL DAY.

### **BALLOONS AND FLOWERS**

Balloons and flowers can sometimes be a distraction in the classroom; therefore, we deliver them to students at 2:30 unless the teacher chooses to pick them up earlier in the day. Be sure to plan to pick your child up if he/she receives these items, as they are difficult to carry or take on the bus.

## 15. VISITORS

In the interest of safety and security, all visitors to the primary school must check in and out at the office. Destination and purpose must be indicated. Visitors are required to wear a visitor badge. **ONLY THE MAIN ENTRY BY THE OFFICE IS AVAILABLE FOR PUBLIC ACCESS**

## 16. VOLUNTEERS

We welcome the help of parents and other adults. We have a wide variety of tasks and needs. According to School District of Lodi policy, a background check must be done on all volunteers that come into direct contact with students. Volunteers are required to check in and out at the office and are also required to wear a volunteer badge.

## 17. EMERGENCY SITUATIONS

The School District of Lodi website announces all emergency situations as they may occur. Please check the school website for school closings, delayed start times or early dismissal. Our Infinite Campus Notification System is also used via telephone and email. Please check this when weather is questionable. In the event of a bomb threat the school will be evacuated, and students will be sent home for the rest of the day. A search of the buildings shall be conducted by the local law enforcement agencies, fire department officials, administration and selected custodial and teaching personnel.

**School time missed due to a bomb threat shall be made up.** Any person found guilty of turning in a bomb threat shall be disciplined according to established school procedures and/or state law.

### **COLD WEATHER POLICY**

Children will be kept inside when temperatures reach 0 degrees Fahrenheit or the wind chill is 0 degrees Fahrenheit.

## **FIRE, TORNADO, ETC.**

Plans are in place for fire, tornado and other emergency situations. In the event of an emergency, please do not call the school. School phone lines need to be kept open to handle outgoing calls and needs. Parents will be notified as decisions are made. Your child will have monthly drills to practice emergency plans. Remind your child that these practices are serious and should be taken seriously.

## **18. HEALTH**

### **School Nurse**

The school nurse is scheduled at the Primary School regularly, but is not on site every day.

### **Individual Health Plan and/or Medication Request/Consent Form**

Please complete these forms if your child needs special medical attention for:

**a) ALLERGIES b) uses INHALERS c) needs regular or infrequent prescriptions or non-prescription medications**

### **MEDICATIONS AT SCHOOL**

All medications are kept in the health room office in a locked medication cabinet and monitored by health room personnel. Medications must be in the original container. (A sandwich bag with a pill is not acceptable.) All medications must be hand delivered to office personnel. The **Individualized Health Plan and/or Medication Request/Consent forms** must be completed and signed by a parent and a physician. This is required for prescriptions, as well as over-the-counter medications. Individualized health plan forms should be completed before the beginning of school. Also, if any student has an anaphylactic allergic reaction (i.e., shortness of breath, throat swelling shut reaction), 911 will be called to transport the victim to the nearest emergency treatment facility. If the student has an epi-pen, it would be given simultaneously to the 911 call and parents would be contacted. If you have any questions or concerns, please call the school nurse at 592-3855, ext. 1004.

Medication guidelines are designed to protect the students as well as the staff dealing with these medicines.

### **RECESS EXCUSE**

Our general rule is: "If a child is well enough to be in school, he/she is well enough to get some fresh air." However if your child is recovering from an extended illness, please contact the teacher to make arrangements.

### **PHYSICAL EDUCATION EXCUSES**

All students in Kindergarten take physical education classes as required by state law. Students will be excused from such classes by request of a physician, or at the discretion of the instructor.

### **HEALTH RECORDS/IMMUNIZATION**

State law requires that immunizations be kept current. Please keep us current on immunizations or special health concerns as the school nurse updates them yearly. Children entering kindergarten are required to have a physical exam prior to the start of the school year. Two doses of measles/mumps/rubella are required, as well as Varicella, the chickenpox vaccine and the hepatitis B series. If the child has had chickenpox, please document the date of the illness. Dates and parent signatures must be on file 30 days into the school year. Non-compliance is reported to county authorities. The district has the authority to exclude any student whose immunization records are not in compliance and/or when the lack of documented immunization poses a threat to the health of students and staff. A waiver must be signed if immunizations are not complete due to personal, religious or medical reasons.

### **HEALTH SERVICES**

First aid is administered to any child experiencing an injury at school. If the injury is a minor scratch or bump, we encourage students to take care of these injuries themselves and no home contact is made. Typical complaints of headache/stomachache are handled in the classroom. A minor injury is cleaned/bandaged and the student is sent back to class. Parents will be notified of all head injuries, contagious diseases, and a temperature over 100, and any serious injuries or questionable conditions. If

there is a questionable condition or serious injury the student will be given first aid, and a medical professional and/or parent will be called. Health reports will be sent home with children who visit the health room for attention to injury or illness.

It is extremely important that you provide the school office with current home, work and emergency telephone numbers. Any questions, please call the Primary School office at 592-3855.

### **EMERGENCY TREATMENT AND TRANSPORTATION**

In the event that your student is considered medically unstable in the school setting, you will be called to transport them to an emergency facility or clinic if appropriate. If you are unreachable or too far away to arrive at school in a reasonable amount of time, your child will be transported to the nearest medical facility via ambulance. Each school building has a CORE team of individuals who work with the school nurse, and are trained and certified in CPR and First Aid. These individuals, along with administration, are responsible for making these decisions when students are in school. Parents are always notified immediately in any emergency involving their child. For this reason, it is essential for enrollment forms to be filled out completely and accurately. Forms should always be updated when changes occur.

### **QUESTIONS**

If you have any questions regarding school district policies and medication, please feel free to contact the School Nurse at 592-3855.

### **ACCIDENT INSURANCE**

The school district does not carry accident or health insurance, nor does it insure personal property. However, the school district makes it possible for parents to purchase (at a nominal cost per child) student accident insurance.

## **19. COUNSELING SERVICES**

Services provided by the school counselor include:

- \* Classroom lessons and activities based upon Wisconsin School Counseling curriculum standards
- \* Individual and small group counseling sessions
- \* Staffing and consultations with parents, guardians, and staff as needed

Students, parents or staff can make referrals or request for services.

A lending library is available to parents. It contains materials on managing children's behavior, developmental issues, parenting, and special crisis issues such as death, divorce, etc. Other resources include caring connection bags on grief and family change.

The counselor is available to work with parents and guardians for brief counseling regarding your child. Call the counselor to discuss a concern, refer your child for counseling, or to make contact with community resources. The School Counselor is split between the Primary School, OSC and Elementary School.

## **20. PARENTS WHO LIVE APART (PWLA)**

Many students have parents residing in more than one home. In order that we have all parent information for students whose parents live separately, we request that you provide us with both parents information. Parents can request that newsletters, progress reports, etc. be sent to them.

### **STUDENT/PARENT CONTACT RESTRICTIONS**

Parents/Guardians who have court orders restricting child/adult contact must supply us with a copy of said court order. The order will be maintained in the child's cumulative file. If any changes take place during the year, which changes the court order, the school must be notified.

## 21. LIBRARY/MEDIA CENTER (LMC)

Students may check books out for a 2-week period. No more than 4 books may be checked out at one time. Please encourage your child (ren) to have a place to keep books in your home. No books may be checked out after the middle of May.

## 22. INSTRUCTIONAL MATERIALS

Instructional Materials include textbooks, workbooks, library books, magazines, pamphlets, pictures, iPads, videos, maps, recordings and all other materials which are used by the pupils and staff in fulfilling the curriculum requirements of the school. These materials are selected by staff members through a process of individual and committee study and recommendations in accord with the criteria established by policy adopted by the Board of Education. You are invited to review instructional materials used by the primary school at any time. Materials will be made available to you upon request to your child's classroom teacher or the principal. The complete policy governing the selection of instructional materials can be reviewed on the districts website.

### FINES

Students are responsible for proper care of all books. Books that have been damaged or lost will be assessed a fine. The minimum charge is \$3.00.

## 23. FOOD SERVICE

**All general questions or concerns about the Food Service program can be addressed by contacting Paula Larrabee, Food Service Director, at the Lodi High school, 1100 Sauk Street, 592-3853 ext. 4433, [larrapa@lodischoolswi.org](mailto:larrapa@lodischoolswi.org). Children may bring a lunch from home or purchase a meal from the Food Service Program.

### *Family Lunch account*

All food service money is deposited into one family account, regardless of the number of children in grades K-12, each daily purchase is deducted from this account. It is NOT necessary to send separate payments for each student, with the **only exception** being the yearly break milk 4K fee which should be paid separately and clearly marked "4K milk fee". Deposits may be made to the student's teacher, turned in at the school office or mailed to the school (see address above). Include the student(s) and family account name with your payment. Deposit a sufficient amount of monies to cover all food service costs. It is each household's responsibility to monitor the account balance. Balance information may be viewed online thru the Infinite Campus parent portal and is displayed to the students on the check-out screen during service. The system is PRE PAY and NOT a CHARGING account. Money must be deposited BEFORE meal service to prevent a refusal. Contact food service directly with any account questions or if your family is experiencing a financial hardship.

### *Infinite Campus (IC) Account Balance Phone Notification*

When the household balance falls below \$20.00, or the account is negative, you will be notified by the IC phone system that a payment should be sent. All adult members of a household will receive the general phone notification for food service account balance information. Each member may edit his or her notification preference within the IC parent portal. For specific IC parent portal help contact Kris Wendorf, at 592-3851 ext 5483.

### ***Student PIN***

Students will enter the same PIN number as assigned to them in previous year. Kindergartners and new students will be assigned a new one. If they have forgotten their PIN Food staff will have it available during the meal service and will also be working with the students the first few weeks of school to help them with the process. Students who qualify for the free meal program are also required to enter their PIN.

### ***Milk at Lunch***

A choice of a fat free flavored or a 1%/Skim white milk variety is included with all meal purchases. Milk may be purchased separately from the family account for those students bringing a cold lunch. The student must have money in their family account to do so.

### ***Grab N Go Breakfast/AM Nutrition break***

A grab n go breakfast/AM milk break is offered to all students. A choice of purchasing the full breakfast meal (free/reduced pricing applies) or a single milk will be available in the cafeteria. The cost will be deducted from the family account when the student enters their PIN. Students on the free/reduced meal program do NOT qualify for a free/reduced milk. They DO qualify if they take the FULL breakfast. NO milk purchase will be allowed if the account is negative.

No cash accepted in line, all monies should be deposited into the family account. Please encourage your child to participate in the breakfast program, as we all know, there is an important link between eating a good breakfast and improved learning.

### **Free/reduced meal program (includes BOTH the FULL breakfast and lunch meals)**

Applications for the free/reduced meal program are available in the School office, the District office or can be downloaded off the web site. If you think you might qualify fill out the application and send it to the Lodi Primary School, ATTN: Food Service, 103 Pleasant Street, Lodi, WI 53555. If you qualify for the free/reduced lunch program it does NOT include the cost of milk if it is taken separately from the meal or taken at milk break time. Remember to fill out the application as soon as possible so we can process your request. You must fill out a new application every school year. If you would like to participate in the districts reduced fee program, such as waived or reduced registration fees, ONLY you may supply your approval letter to the staff collecting the fee.

### ***Field Trip Sack Lunch Option***

A PB&J uncrustable sack lunch may be pre ordered for field trips by indicating to the student's teacher that they would like one for their trip. The cost is charged to the account at the regular meal price or for no cost/ reduced fee if a student participates in the free/reduced meal program.

### ***Menu and meal options***

Menus are available on the website, published in the school newsletters and posted in each school's cafeteria. As a District we strive to offer healthy meal options. All our menus feature fresh fruits, salads, farm to school items and whole grains. A WG low fat PB&J uncrustable sandwich option is offered on some days. A choice of a fat free flavored or a 1%/Skim white milk variety is offered daily. Review the monthly menu for all the options offered.

### **Negative Balance Procedure**

It is established that the District's Food Service program utilizes a pre-pay system.

Monies must be available in the family account before purchases will be allowed. Deposits may be sent to each school building, paid online with the IC parent portal or mailed to the attention of the food service department.

Families may monitor and view their account balance and detailed statement within the IC parent portal or request a statement from the food service department. Students may view their account balance on the point of sale terminal during meal service. When the account balance starts to fall below \$20.00 the family will be notified by the IC system that a payment is required and will continue until a deposit has been received. In addition a paper statement may be sent.

If a family account has a negative balance and no monies or response from the family has been received the students name will be forwarded to the building secretaries. They will talk with the student and help them contact a parent who can choose to make a deposit or bring a meal from home. It is designed so as to avoid denying the student a meal while in the food service line. It DOES NOT apply to a student participating in the free meal program. Absolutely no ala carte purchases shall be allowed once the account is negative.

### **Food allergies and special needs**

Report any food allergies or special dietary needs your student may have immediately to the School Nurse and the Food Service Director.

Parents and other family members are invited to visit and eat lunch with their child. Please call by 8:30 if you are planning on joining us for lunch and sign in at the office before meeting your child.

## **24. FIELD TRIPS**

Field trips are a direct outgrowth of a specific unit of study or class project; not all classes will be taking the same kind of field trips, even within the same grade level. The field trips that are taken are treated as an educational venture and not a picnic affair. There is a nominal fee plus the cost of other expenses incidental to the specific trip.

Parents are notified in writing of field trips that involve transportation and are **required to return a parent permission slip and all fees two days prior to the field trip date.**

**If a permission slip and fees have not been received, the child will not be able to attend the trip.** Your child will then have supervised work to do at school.

**Volunteer chaperones** - Younger siblings are not allowed on the buses. Contact your child's teacher if you are willing to chaperone. We often have more chaperones than we are able to use. When this is the case, parents who have not chaperoned that year will be selected first.

Discipline should not be confused with punishment. The goal of discipline is a self-disciplined individual, with mature attitudes and socially acceptable standards of conduct.

Corrective measures may include but are not limited to: conferences with teacher, counselor, or principal; detention; loss of school privileges; parent conference with school staff; suspension; expulsion; police referral; court referral and removal from class. School administration will use the following progressive discipline plan to address student misconduct during school and school related activities. Any single, but severe, violation of school rules can result in a recommendation for expulsion.

### **E. Teacher Disciplinary Action Plan**

The teacher will always be the first line disciplinarian. Teacher classroom management procedures can include private conferences with the student, detentions with the teacher, contact with parent, and/or an office incident report if necessary.

### **F. Administrative Disciplinary Action Plan**

At the primary school, anytime a student is sent to the office the principal will meet with the student to determine the cause of the incident. As a result of any student being sent to the office, an incident report may be completed by a staff member resulting in further disciplinary action. Any student who is sent to the office three (3) times within a three-week period, will automatically have an incident report

completed by administration. The administration reserves the right to discipline any student for conduct not specifically addressed by this code. At their discretion a school administrators may vary from the Disciplinary Action Plan whenever it is deemed necessary or appropriate. The School District of Lodi reserves the right to pursue disciplinary action against a student for violating an ordinance or state law while on the school premises.

**First Offense:**

The student will conference with an administrator, parent contact will be made, and student may be assigned one detention and/or lose school privileges. A re-entry teacher/student conference will be held prior to student returning to classroom.

**Second Offense:**

- a. Student will conference with an administrator, parent contact will be made, a parent conference may be held, and student may be assigned two detentions.
- b. At the middle school and high school a second referral from the same class will result in a conference being scheduled with parent, teacher, student, and administrator to outline behavior expectations prior to student returning to the classroom.

**Third Offense:**

- a. Student will conference with an administrator, parent contact/conference will be required. Three detentions may be assigned.
- b. At the middle school and high school a third student disciplinary referral from the same class may result in removal from that classroom. A re-entry teacher/student conference will be held prior to the student returning to the classroom.

**Fourth - Seventh Offense:**

- a. A student will conference with an administrator, may be suspended from school for 1-5 days, a parent conference will be scheduled. A re-entry conference will be held.
- b. At Early Childhood through fifth grade, the fourth-seventh incident report may result in a permanent change in the classroom for the student.

**Eighth Offense:**

Eighth referral will result in a pre-expulsion hearing with district office administrators. Continued misconduct will result in administration requesting expulsion. Expulsion is the exclusion of a student from school-related activities and school property for a specified period of time. Expulsion is the most severe measure a school may use to discipline a student. Chronic rule offenders will have a conference scheduled involving the student, staff member(s), administration, and parent/guardian. The possibility of expulsion will be discussed. Chronic rule offenders who show no/little change after the school has exhausted its opportunities for student improvement will be referred to the Board of Education for an expulsion hearing. In addition, any single serious violation of school rules may also result in a recommendation for expulsion. Other interventions will include the following remedial procedures: a referral for educational counseling, referral to Building Consultation Team, and coordination with community agencies as appropriate.

**G. Placement Procedures**

If a pupil has been removed from the classroom, the school principal or the principal's designee shall place the pupil in one of the following:

- 1. the classroom the pupil was removed from if--after weighing the interests of the removed student, the other students in the class, and the teacher--the principal or the principal's designee determines that readmission is the best or only alternative;
- 2. another class or other appropriate place in the school, as determined by the school principal or his or her designee;
- 3. another instructional setting; or
- 4. an alternative education program, which is defined by statute as an instructional program approved by the school board that uses successful alternative or adaptive school structures and teaching techniques and that is incorporated into existing, traditional classrooms or regularly

scheduled curricular programs or that is offered in place of regularly scheduled curricular programs.

A student's removal from class does not prohibit the teacher, the school board, the district administrator, school principal, or their designees from disciplining that student. The principal or his/her designee will make the final decision in regard to placement, but may seek input from the guidance counselor, teacher, and/or grade-level team. All decisions will be based upon costs, availability, location, space, and staff resources. In cases of students with identified disabilities, placement decisions will be made in accordance with applicable Federal and State laws and regulations.
