Dear Families,

Enrollment into the Ouisconsin School of Collaboration for the 2017-2018 school year begins Monday, **February 6th**. For your convenience, we have included an application to apply. All applications must be submitted to Andrea Giese in the OSC/Primary School office by **April 28, 2017**. We would prefer that you either mail or drop your application off in person, rather than send it to school with your child. When we receive your child's completed application, we will send you both a confirmation email and additional information regarding enrollment into OSC by regular mail. If we should receive more applicants than we have spaces, we will also notify you of the date of the OSC lottery.

Would you like to see OSC in action, or learn what OSC is all about? Please visit our website osclodi.org to learn more about what we do. We would love to meet you and your family, and give you an opportunity to talk with our students and advisors. Please visit our school anytime! Just contact us at osclodi.org and then bring your child to visit OSC during any school day.

Our **5th Annual Project Night on World Cultures** is Thursday, February 2, from 6:00-8:00pm. Please join us, we are located at 103 Pleasant Street in Lodi, Wisconsin. Project night is the perfect opportunity to see our students at their finest moment – presenting their projects to you, our community!

We look forward to hearing from you!

Sincerely,

OSC Advisors and OSC Governing Board
