

# Class Descriptions

## *Afternoon Course Opportunities*

<b>Class Name: Code Academy!</b>	<b>COST: \$0</b>
<i>This course is designed for students to learn the basics of coding. Students will gain an understanding of what programming is, how to create, test, and build upon their own programs, and see how they can use coding to help them in everyday life!</i>	
<b>Class Name: Dr. Seuss Science!</b>	<b>COST: \$10</b>
<i>Every day will be filled with a new and fun Dr. Seuss related science experiment!</i>	
<b>Class Name: Everything You Ever Needed to Know</b>	<b>COST: \$10</b>
<i>Everything you needed to know would cover much of the same information but would delve deeper into Health, Mental Health, Safety, First Aide and Basic Survival. We will explore movies dealing with Social Conflicts of who we are and being honest with yourself.</i>	
<b>Class Name: Junior Lifeguarding</b>	<b>COST: \$10</b>
<i>American Red Cross Junior Lifeguarding is designed to guide youth to the American Red Cross Lifeguarding course by building a foundation of knowledge, attitudes and skills for future lifeguards. Participants are not required to master or perfectly execute skills; they should learn techniques and build stamina during this program. (This course does NOT certify participants in first aid, CPR-AED or as a lifeguard) Junior Lifeguarding is an effective transition from upper-level Learn-to-Swim courses to the American Red Cross Lifeguarding program, challenging participants to stay involved with aquatics. Junior Lifeguarding will introduce participants to: The skills needed for entry to the American Red Cross Lifeguarding course Communication and decision-making skills The basic responsibilities of a lifeguard The basic knowledge and skills required to be a lifeguard Before entering Junior Lifeguarding, participants must demonstrate the following skills: Swim front crawl for 25 yards continuously while breathing to the front or side Swim the breaststroke for 25 yards using a pull, breathe, kick and glide sequence Tread water for 1 minute using arms and legs Show a level of comfort on the back by floating on the back for 30 seconds or swimming on the back for 25 yards using the elementary backstroke or back crawl Submerge and swim a distance of 10 feet under water</i>	
<b>Class Name: Karate!</b>	<b>COST: \$10</b>
<i>This introductory karate class will focus not only on physical karate skills, but also on the important skills that will lead to personal success in life. Students will learn to focus, pay attention, be respectful, and become part of a team all while having fun!</i>	
<b>Class Name: Meccanoid Robot</b>	<b>COST: \$5</b>
<i>Students will build and then program a four foot tall humanoid robot! When you build a Meccanoid Robot, you're building a friend. With its amazing voice recognition capabilities and over a thousand pre-programmed phrases, comments and witty comebacks, it can tell jokes and play games!</i>	
<b>Class Name: Minecraft Edu</b>	<b>COST: \$10</b>
<i>Come and be a part of one of the most popular programs around Minecraft Edu helps to promote creative thinking, problem solving, engineering skills and will engage and excite kids through modern technology and hands on interactions.</i>	
<b>Class Name: Open Art Studio Time!</b>	<b>COST: \$10</b>
<i>This summer, Mrs. Robarge is offering Open Studio for any student interested in continuing art making in the summer months. Come enjoy 90 minutes of fun with fellow art lovers. Mrs. Robarge will be there to provide support and guidance!</i>	
<b>Class Name: Sewing-The Next "Stitch"!</b>	<b>COST: \$20</b>
<i>Want to do take your sewing skills to the next "stitch"? This is the class for you. We will have more time to do projects that require a little bit more time and skill. Previous sewing experience is necessary!</i>	

<b>Class Name: Softball</b>	<b>COST: \$20</b>
<i>Come learn the basic fundamentals and rules of the game! It will be fun with games teaching us skills such as hitting, throwing, base running and fielding! Come join the fun!</i>	
<b>Class Name: The "Thinker" - Art Class</b>	<b>COST: \$5</b>
<i>This sculpting class will go to the next level! Learn to sculpt with packaging tape with an option to paint your sculpture and make an installation of the classes work. You will be amazed at how life-like your sculpture will be! Don't miss out on this opportunity! The options are endless, but favorites have been duplicating your arm, head and more!</i>	

## Class Descriptions

### Session 1 & 2 Course Opportunities

<b>Class Name: ¿Qué tal? Let's Learn Spanish!</b>	<b>Cost: \$5</b>
<i>Students will learn a variety of Spanish vocabulary and phrases through singing, dancing, drawing and games. They will also learn about Spanish and Latin American culture through videos and engaging activities.</i>	
<b>Class Name: 3D Printing Class</b>	<b>Cost: \$10</b>
<i>As members of this class you will be creating and developing assorted models to be printed in 3D! This "STEAM" program is designed to challenge your creative and engineering skill set. The program will challenge you to "think outside of the box" when coming up with your own independent creation or with a partner! Come and be apart of this unique and cutting edge technological program.</i>	
<b>Class Name: A Passion for a Good Book</b>	<b>Cost: \$0</b>
<i>Do you have a book you really want to start? Come relax in a bean bag, blanket or cozy chair. Bring your book and enjoy!</i>	
<b>Class Name: Ahoy! Pirates Setting 'Sale' for Knowledge!</b>	<b>Cost: \$5</b>
<i>Ahoy, Mateys! Prepare to set sail for adventure and learning. Through a fun pirate-themed class, deckhands (students) will explore books, encounter math problems and record their daily adventures in their ship's logbook. Follow the map and let's find that treasure!</i>	
<b>Class Name: Arts and Crafts</b>	<b>Cost: \$10</b>
<i>Show your creative side! Have fun creating arts and crafts!</i>	
<b>Class Name: Athletic Development</b>	<b>Cost: \$0</b>
<i>This course is designed to improve a student's overall athletic ability through increasing their core stability, strength and stamina. The course will incorporate body weight exercises, functional fitness techniques, form running drills and other activities in order to improve the student's fitness and performance in sports and/or everyday life.</i>	
<b>Class Name: Basketball for Girls</b>	<b>Cost: \$5</b>
<i>The summer school basketball will provide girls with a structured basketball learning experience that encourages team participation and personal development. The session will focus on improving the girl's skills while emphasizing fundamentals and game play.</i>	
<b>Class Name: Be a Bucket Filler (Art Class)</b>	<b>Cost: \$10</b>
<i>Are you a bucket filler? Do you do things for others? Come and make things for others. Cards, crafts, notes are a just a few things we'll create!</i>	
<b>Class Name: Citizenship for You (Volunteer Opportunity)</b>	<b>Cost: \$0</b>
<i>Looking to make a difference! Sign up for 1 hour or 3 hours of being a good citizen! Each day may vary with the difference you can make! It may be helping a student with reading, art, math or just about anything! Learn what it feels like to make a difference for a younger person and how you feel when you walk away. Volunteering and helping others is a great experience.</i>	
<b>Class Name: CSI: Lodi</b>	<b>Cost: \$10</b>
<i>The game's a hoot! Students will become super sleuths in this mystery-themed class. Junior Detectives will learn about forensic science, how investigators find clues and track cases, and how to think critically and logically. Detectives will work to solve a variety of mysteries using the skills they acquire through classes. Follow the trail before it grows cold!</i>	
<b>Class Name: Cooking Fun!</b>	<b>Cost: \$20</b>
<i>Cooking can be fun! Students will learn basic kitchen rules and safety. In addition they will have fun helping and making their own simple treats while learning nutrient facts and tips!</i>	

<b>Class Name: Creative Lettering</b>	<b>Cost: \$10</b>
<i>Come and try some "fancy" writing with us! We'll learn lots of ways to make letters creatively including some calligraphy. If you want to jazz up your letters then this class is for you!</i>	
<b>Class Name: Destination Imagination!</b>	<b>Cost: \$5</b>
<i>Think outside the box! In this class students will be given daily "challenges" where they work collaboratively and use their problem solving skills to come to a creative solution. Challenges range from improv and acting challenges all the way to simple engineering puzzles asking them to build the tallest tower or strongest bridge. Stretch those creative muscles and put on those thinking caps! Our destination is.... imagination!</i>	
<b>Class Name: Draw What You See</b>	<b>Cost: \$20</b>
<i>From beginner to advanced artist we will work on all skill levels! Want to learn how or improve to draw still life? Now is your chance. Come and learn to sketch still life in your own sketchbook. We will work on filling up the book so you can keep them all together. It will be fun to look back and see how you improve little by little!</i>	
<b>Class Name: Drumming to a Different Beat</b>	<b>Cost: \$5</b>
<i>Movin' and Groovin, Forward and back, Up and down and all around! Games with music, Locomotion and scales... and so much more! We will be using hula hoops and more as we have a blast moving around and using different items to make our sound!</i>	
<b>Class Name: Everthing Art!</b>	<b>Cost: \$20</b>
<i>Do you enjoy Art? Do you love using clay, painting, building sculptures, drawing taking pictures and more? In Everything Art we use various art mediums to create fun, creative projects. Students learn new techniques and will bring home beautiful art for the walls, shelves and even the garden!</i>	
<b>Class Name: Food-A-Licious</b>	<b>Cost: \$20</b>
<i>Enter the wild and wacky world of cooking! In addition you will learn cooking safety, equipment handling, and the delicious art of cooking for kids of all ages! Taste testing is a must!</i>	
<b>Class Name: Games and More Games</b>	<b>Cost: \$5</b>
<i>We all can learn by playing games – games are fun and learning can be fun too! In this class we will be learning how to play all kinds of games! We will also work on a variety of game playing skills (sharing, taking turns, waiting, etc.), which will carry over to the school year. We'll be playing games on the computer and the whiteboard, playing games outside, playing board games and playing games with food (yum)!</i>	
<b>Class Name: Get Buggy Into Summer!</b>	<b>Cost: \$5</b>
<i>Crawl, squirm, or buzz your way into class and get ready to get buggy! Little bugs (kids) will do fun buggy math problems, read buggy books, go on creepy, crawly bug hunts and learn the basics for bug life!</i>	
<b>Class Name: Golf</b>	<b>Cost: \$0</b>
<i>Experience golfing through summer school! Mondays and Wednesdays students will meet at the golf course in Lodi and golf from 7:00 am to 9:50 am. Students will need to find their own transportation to the course, but can be bused back to the High School in time for their 3rd hour class for free. In addition students will continue other skills on Tuesday and Thursday at the High School from 8:30-10:00. Golf clubs are required and are not provided. A trip to mini golf to practice putting will be offered for an additional cost. This information will be handed out to the students once details have been determined (schedule times is an estimate and may change). This trip will be on the last day, July 7.</i>	
<b>Class Name: Good Sam Visits</b>	<b>Cost: \$5</b>
<i>Class will go to the Good Samaritan Center. Students and residents will play games, participate in craft making, spelling and baking activities. Students will get to learn and share things with the residents. This class will be offered in both sessions. Please feel free to sign up for both sessions if you would like or you have the option to take just 1 session as well. This class includes bus transportation to Good Samaritan Center.</i>	
<b>Class Name: Harry Potter Club</b>	<b>Cost: \$5</b>
<i>Wizards, witches, and even muggles are welcome to join the wizarding world of Harry Potter Club. Though not quite Hogwarts, this school will offer classes like Potions, Charms, Herbology, History of Magic, Care of Magical Creatures and many more. Students will have the opportunity to discuss Potter-lore, try delectable wizard dishes, play Quidditch and generally have a wicked time!</i>	
<b>Class Name: History of Lodi</b>	<b>Cost: \$10</b>
<i>Lodi and the surrounding areas has a lot of history. Do you know when Lodi began? Did you know that Native Americans settled here as well? Learn about the history of the one room school house, Gilbarter rock and much more. As you learn, the class will also visit these areas to see and experience it as well! This class includes a few bus trips to tour what we have learned!</i>	

<b>Class Name: I'm not Bored! Board Games and More!</b>	<b>Cost: \$10</b>
<i>Learn and play new board games daily. Learn games of strategy along with games that require few materials or little space. Perfect for camping trips, sleep overs and weekends at Grandma and Grandpas!</i>	
<b>Class Name: Invertebrates!</b>	<b>Cost: \$10</b>
<i>In the three week class we will participate in a mollusks and annelids, label cricket anatomy, learn and identify invertebrates! We will explore and search for invertebrates outside and even may have an opportunity to have a DNR warden tell us more! Come Explore with us!</i>	
<b>Class Name: Jumpstart Into 4K</b>	<b>Cost: \$15</b>
<i>Come and join the fun and get a jumpstart to be ready for 4K in the fall!! All students who will be starting 4K are welcome! We will be introducing activities and skills that we do every day in 4K. We will be learning the basic routines of school, lining up, taking turns, sitting on the carpet and following directions. We also will be doing many fun craft activities, stories, songs, dancing, and playing in free choice centers. We will also be meeting many new friends that may be in our 4K classes! We will also be working on some important skills like cutting, coloring, shapes, colors, numbers and letters. This class can taken both sessions, activities will not be repeated.</i>	
<b>Class Name: Jumpstart Into Kindergarten</b>	<b>Cost: \$15</b>
<i>All students who will be starting Kindergarten this fall are welcome to come and join the fun! We will be doing many fun activities that are planned around everything fun in the summer. We will be working on many important skills to help us be ready for Kindergarten. We will also be meeting new friends! This class can be taken both session, activities will not be repeated!</i>	
<b>Class Name: Karate!</b>	<b>Cost: \$5</b>
<i>This introductory karate class will focus not only on physical karate skills, but also on the important skills that will lead to personal success in life. Students will learn to focus, pay attention, be respectful, and become part of a team all while having fun!</i>	
<b>Class Name: Kids on the Fly</b>	<b>Cost: \$10</b>
<i>In this summer school gear and fly-fishing program, students will learn basic concepts involved in gear and fly-fishing. Students will spend time in a classroom to be introduced to the daily topic and then take a bus to Fish Lake or Lodi Spring Creek to spend time learning on the water. This class will include but is not limited to: 1. Casting- overhand, side, and roll casting (outside of the elementary school- or down by the creek). 2. Fly Tying- using materials such as feathers and furs to tie insect patterns. 3. Basic Entomology- walking to Lodi Spring Creek to look and learn about local aquatic/insect life. 4. Basic Ichthyology- learning about different species of fish, and how to fish for them. 5. Stream Structure- walking down to Lodi Spring Creek to walk along the stream and learn about the structure. The following items will be provided: Fly rods, fly reels, line, flies, and materials for tying- Thanks to the generous donations by Cabela's and the 3M company. ** There will be some gear rods available, but students are strongly encouraged to bring their own if possible. Students SHOULD bring: Protective Eye wear- preferably polarized sun glasses (to help see through the water), but regular glasses or sun glasses will be just fine. If a student does not have access to any eye wear, it can be provided upon request. Water- We will be outside and it will be hot, so it will be very important to stay hydrated! Students MAY bring: Personal Flotation Device (PFD)- We will be near water, but will not be going in the water. Parents may choose to have his or her child wear a personal flotation device (PFD). Sunscreen/ protective lip balm- It will be warm out and we will be in the sun. Please come prepared or protected. Safety first: The instructor should be notified of any allergies or pertinent medical information, and should be provided with an emergency contact. Students will be reminded daily about proper conduct and safety on the creek. Also, students will be using barbless hooks while fishing, but it must be noted that students could potentially be punctured by a fellow student, or his or her own hook.**A first aid kit will always be on site.</i>	
<b>Class Name: Learning with Lego</b>	<b>Cost: \$10</b>
<i>A starter solution that provides a glimpse of what LEGO Education can offer! Experience the positive impact that LEGO Education solutions can have on learning and engagement. Activities will cover a variety of subject areas including: language, arts, math, science and social studies all while have fun engaging with the activity that includes building with lego!</i>	
<b>Class Name: Lego Mindstorm</b>	<b>Cost: \$10</b>
<i>As members of the Lego Mindstorm you will be creating and developing assorted models focusing mainly on Lego Mindstorm. This "STEAM" program is designed to challenge your creative and engineering skill set. The program will challenge you to "think outside of the box" when coming up with your own independent creation or with a partner! Come and be a part of this unique and cutting edge technological program.</i>	

<b>Class Name: MS Mock Trial</b>	<b>Cost: \$10</b>
<i>Has anyone said you should be a lawyer someday? Do you long to stand up in a courtroom and say, "I object, Your Honor!" Come and experience it! Students will learn how the law, practice critical thinking skills, and gain confidence with public speaking by taking on the roles of attorneys and witnesses in a mock trial that was used by our top-notch high school mock trial team!</i>

<i>This class is for students who have been recommended for this class or need additional skills in math and/or reading. This class will continue to work on skills that are beneficial to students. Skills include reading, writing and math. Trip fees will apply depending on the trips planned, to be determined and notes will be sent home.</i>	
<b>Class Name: Paint What You See</b>	<b>Cost: \$20</b>
<i>From Beginner to Advanced Artists, we will work on all skill levels! Painting subject matter of objects which may be either natural (food, flowers, plants, etc) or man-made (glasses, books, vases, coins, etc) will be exciting. You will learn to paint and create your own works of art. A portfolio will be created to keep your works of art together. Join in the fun and maybe even become the next Van Gogh!</i>	
<b>Class Name: PE Fun!</b>	<b>Cost: \$5</b>
<i>Let's explore the fun of being active! We will try many different games, sports and more.</i>	
<b>Class Name: Readers Theater</b>	<b>Cost: \$5</b>
<i>Teacher: Do you like to read with your friends? Student: Reading is fun when we read together! Teacher: Do you like to read using expression and different voices? Student: It makes reading more interesting! Teacher: Do you like to dramatic and silly? Student: Tell me more! Teacher: You should sign up for Readers Theater class this summer! Student: I can't wait to get started!</i>	
<b>Class Name: S.T.E.M. Fun!</b>	<b>Cost: \$5</b>
<i>Do you enjoy hands-on problem solving? Science Technology Engineering and Math activities to challenge your thinking. Come join the FUN!!!</i>	
<b>Class Name: Science Extravaganza</b>	<b>Cost: \$10</b>
<i>All new experiments this summer! Come and experience this hands-on class as we explore what Science has to offer and maybe even answer some of those "I wonder" questions you have been wondering about!</i>	
<b>Class Name: Sculpt What You See</b>	<b>Cost: \$20</b>
<i>From beginners to advanced Artists, we will work with all skill levels! Sculpting is more than just using clay! Come and experience art at a whole new level. In this class we will use different materials to learn to sculpt different objects.</i>	
<b>Class Name: Sew Fun!</b>	<b>Cost: \$20</b>
<i>Sew Fun! Simple machine sewing. Learn basic sewing skills while making personalized projects. Make a pillow for your room, a drawstring bag, an infinity scarf and a simple quilt square and more!</i>	
<b>Class Name: Softball</b>	<b>Cost: \$5</b>
<i>Come learn the basic fundamentals and rules of the game! It will be fun with games teaching us skills such as hitting, throwing, base running and fielding! Come join the fun!</i>	
<b>Class Name: ST Math</b>	<b>Cost: \$0</b>
<i>Continue working on ST Math! You will pick up where you left off at the end of the year. Stuck on the Challenge Games? Work together to solve them! Only those who used ST Math in school during the 2016-17 school year, can sign up for this class. If you have completed your grade level of ST Math, you will not want to sign up for this class!</i>	
<b>Class Name: STEAM Education</b>	<b>Cost: \$10</b>
<i>STEAM Education are community centers with tools and combines manufacturing equipment, community, and education for the purposes of enabling students to design, prototype and create manufactured works. This is a "hands on" project based program giving students the opportunity for creative thinking and actual building and creating.</i>	
<b>Class Name: Stories and Watercolor Paintings</b>	<b>Cost: \$10</b>
<i>If you like stories and LOVE painting this is the class for you. Every class will start with a story and end with a fun watercolor painting.</i>	
<b>Class Name: Summer Fun in the Art Room!</b>	<b>Cost: \$20</b>
<i>Come enjoy creating art projects themed around all the things we love about summer... the beach, camping, picnics, swimming, fireworks and more! Mrs. Robarge teaches lessons involving clay, painting, drawing printing and more!</i>	

<b>Class Name: Survivor</b>	<b>Cost: \$5</b>
<i>The Survivor idea was fundamentals about who you are legally if you suddenly found yourself completely alone (for whatever reason). Basic information: Name, Address, Parents full name and addresses, phone number( your cell phone is gone). Medical info, immunization history. How to wash yourself and your environment. Intro to a kitchen and cooking. Basic first aid and some home remedies. Can you build a fire? Find Out if You could Survive!</i>	
<b>Class Name: Swim Lessons</b>	<b>Cost: \$5</b>
<i>Swim Lessons for everyone: brush up on your swim skills, improve on your strokes, or learn how to swim! All classes are American Red Cross certified. The class will be tested based on skills and will be divided into groups for lessons. Students will learn/work on stroke development, treading water, along with playing some fun water games.</i>	
<b>Class Name: Tennis</b>	<b>Cost: \$5</b>
<i>All levels welcome- boys and girls! Come learn to play tennis through drills, games and low key competition. Learn to hit forehands, backhands and volleys</i>
