

SUMMER SAUNTERS 2017

Overview: Saunters continues to evolve in the School District of Lodi. This course has a 10 year history of partnership with Lodi staff and students, the Ice Age Trail Alliance, National Park Service and Wisconsin Department of Natural Resources. If you have any questions please feel free to contact a Saunter Leader for more information.

Saunters Hiking – Grades 3-11

June 12 – June 16 (June 16th is a half day)

COST: \$20.00

The Saunters program started in Lodi in 2008 with a weeklong course dedicated to hiking. Celebrating this 10th year of Sauntering in Lodi requires some dynamic hikes. Students will load the bus each day at 8 am, travel to a unique segment of the Ice Age Trail, return to school by 4 pm. Along the way participants in grades 3-11 will explore Wisconsin on foot, build leadership skills and learn about our glacial legacy through the ColdCache program. ColdCache is similar to geocoaching only students identify landforms to meet the goal.
