IMPORTANT INFORMATION TO KNOW & BUS TRANSPORTATION

SCHOOL ARRIVAL TIME: Summer School runs Monday through Thursday. Students can begin arriving at 7:50 am. Students should wait in the Commons area until they are told they can go to classrooms (at 7:55). Classes begin at 8:00 am - **Students need to be in their classrooms at that time.**

ENROLLMENT: Though summer school is not required, we do ask that if you are enrolling your child, they do plan to attend. We have limited space and often students cannot take the class because it is full! The State aid we receive is also based on attendance!

LOW CLASS FEES: In order for Lodi School District to receive state aid, the district is only allowed to charge for supplies used for the class. Lodi School District then must submit attendance information to receive our payment from the state. State Aid is based on attendance! Out of District residents should contact the school about out of district fees.

WHAT TO BRING ALONG: Be sure you send your child/ren schedule(s) along with them on the first day and for the correct session! Schedules can be printed by logging into Infinite Campus! The Schedules will show where their classes are located and will help staff direct students to the correct rooms. Parents are welcome to come to school and help kids find classrooms too! Classes will be held at the High School again this year! Backpacks are optional and no other items are required unless indicated in the description of the class.

MEDICAL NEEDS: Any inhalers or epi-pens should be brought to Summer School during the Open House or the 1st Day of Summer School. **Please be sure to label with students name and grade!**

BUS INFORMATION: During summer school we will use colors to determine the bus they will ride, please make sure your child knows which color bus they should ride home. The bus color and time for pick up and drop off will be available early June. Please watch for a registration notification with this information and also check the summer school website! Registration for bus transportation is **REQUIRED** by Summer School Deadlines. Registration is done through Summer School using either the on-line registration or paper registration.

SUMMER SCHOOL HOURS AND CONTACT: You can reach the Summer School Office between June 11 – July 26, Monday through Thursday from 7:45 – 11:30 am at 592-3851 Ext 4400 at the High School Office.
