The Board of Education will review and approve administrator contracts. Salary and other contract adjustments shall take effect on July 1 and will be made according to the following guidelines.

1. Before salary adjustments are made, the Board will evaluate the District Administrator and the District Administrator shall evaluate all other administrators.
 - a. The District Administrator will be evaluated using the written evaluation tool found in the procedures associated with this policy.
 - b. The District Administrator evaluation process will follow the timeline found in the procedures associated with this policy.

2. In determining contract adjustments the Board will consider:
 - a. the results of the evaluations
 - b. the school district budget
 - c. the relative placement of each administrator in the range of people holding identical positions in our assigned athletic conference and/or area school districts of comparable size.
 - d. such other factors as the Board deems appropriate.

3. The salary data used will be taken from the annual Administrative Salary Report published by the Wisconsin Association of School Boards. The enrollment data will be taken from Wisconsin Department of Public Instruction reports of the third Friday of September counts.
