(R) 3-9-15

Foreign Exchange Students are encouraged and welcome to attend the School District of Lodi. The Foreign Exchange Program has been created and supported by the School District of Lodi to facilitate better international friendship and understanding between Lodi students and our visiting foreign students. The Board of Education views this program as a mutual benefit to the school district, Lodi students and their families.

A maximum of six foreign exchange students may be enrolled in the district tuition-free each year. Only students sponsored by exchange programs listed in the current Advisory List of International Educational Travel and Exchange Programs of the Council on Standards for International Educational Travel (CSIET) will be considered for enrollment. Other students may be considered for admission on a full-tuition basis. Exchange student visits from one to four weeks in duration shall be approved by the board of education or approved by the District Administrator and reported to the Board of Education.

General instructional fees, classroom fees, lunch monies and special event fees or needs are the responsibility of the foreign exchange student, his/her parents or sponsors.

The School District of Lodi reserves the right to terminate the enrollment of any exchange student who does not adequately observe the rights and responsibilities of the students of the Lodi District.
