School lockers, cubbies, and school desks are the property of the School District of Lodi. At no time does the Board of Education of the School District of Lodi relinquish its exclusive ownership and/or control of lockers, cubbies or school desks provided for the convenience of students/adults. School authorities may, as they deem necessary or appropriate, conduct general inspections of lockers, at any time, without notice, without student/adult consent and without a search warrant. "School authorities" includes the District Administrator, any other administrator, or any teacher acting at the express request of an administrator in the District.

The Board of Education specifically reserves the right for school authorities to search a vehicle parked on District property, with the consent of the owner/driver and with a law enforcement official present, if they have a reasonable suspicion that the vehicle contains contraband or of a violation of law.

A copy of this policy shall be included in all student-parent handbooks and distributed to all pupils enrolled in the school district on an annual basis.
