

Building Security Response

No. 720.1
(A) 11-13-95
(R) 1-12-04
(R) 11-9-15

It is the policy of the Board to request assistance from local law enforcement agencies, such as the local police department and the county sheriff, whenever a disturbance beyond the scope of staff training and responsibility interrupts school activities.

In the event of a security threat, the administration will take appropriate actions to secure the building or site. This could range from lockdown to evacuation. A search of the buildings or site shall be conducted by law enforcement personnel, fire department personnel, administration, and available custodial, teaching and support personnel.

School Board/administration may require school time missed due to security threat to be made up.

Any person found guilty of making a security threat shall be disciplined according to established school procedures and state law.
