

School District of Lodi
School District Parking Lots

No. 735
(A) 5-13-02
(R) 11-9-15

The parking lots located at all Lodi School District facilities are for the use of employees, students and visitors during regular school hours and during school district sponsored or approved activities and events.

Conduct that damages parking facilities or endangers people or property will not be tolerated. Anyone taking part in such activity will be subject to disciplinary action and/or prosecution under the law.

District parking lots are not to be used for private or commercial activities without proper approval. Requests for such uses shall be made by following the procedures described in Board of Education Policy #830(Use of District Facilities).

The administration shall ensure that proper maintenance is conducted and that parking areas are utilized in a manner that promotes safety for pedestrians and vehicle occupants.

The administration shall develop a parking lot use plan for each parking lot to manage parking availability.
