	<ul style="list-style-type: none"> Relax with Calm, a simple mindfulness meditation app that brings clarity and peace of mind into your life. 	Grades 4K-12

Due to the school closure, Lodi's educators are adjusting their approach to a remote learning setting. Our plan is to continue to provide students with the instruction, resources, and feedback they need to continue to learn and grow. In addition to the daily instruction students receive, the School District of Lodi wants to support families by offering enrichment resources that are optional for students to explore on their own. During these unprecedented times we are reminded how wonderful it is to be in a strong community like Lodi that values education; thank you for all you are doing at home with your student(s) to help them continue to learn and grow under these circumstances.
