

June 8, 2021

Hello families and caregivers,

Just one week away from Summer School starting! We wanted to share a few more updates with you in regards to starting next week.

Videos of Schools (in lue of Open House)

As a mitigation strategy, we are not having an Open House. Here we are sharing videos of how to get into and around the schools. In addition we have maps to help your child. Please note that we will have numerous additional staff available to support your child to get where they need to go, especially that first day.

Lunch

We are continuing the free lunch program this summer. All students will receive a “grab and go” lunch on Monday, June 14. If your child would not like these free lunches to continue, please email Emma Neumaier at neumaem@lodischoolswi.org or call her at (608)592-1026. If you have any specific questions in regards to our Food Service program, please contact Diane Lueck at lueckdi@lodischoolswi.org.

Please note that students will be eating in their third hour classroom.

Bussing

When a student elects to ride the bus the following mitigation strategies will be in place for their rides.

- Students MUST wear a mask to be transported
- Seats will be assigned on all summer school buses
- First kids on the bus will be seated in the back and kids will fill seats moving forward

Bus routes have been updated into Infinite Campus. But we also realize that due to summer schedules, some families may need regular alternate pick up/drop off locations. If your child needs this, please fill out the following form by **Thursday, June 10 at 8:00 am**. We will do our best to look into if this accommodation is possible.
