We are so excited to be collaborating with the High School agriculture Dept. and Healthy lifestyle classes to expose the Little Explorers to our "farm to table program". This session, part of our class time will involve growing herbs and vegetables in the new greenhouse. The kids will be getting their hands dirty as they will be a part of planting, growing, harvesting and eating!

We would like to acknowledge the fact that this project is funded in part by the Healthy Life Initiative Grant from the Sauk Prairie Healthcare Foundation". Please join us in thanking them for their support!

**Pick up and drop off will be in the pool lobby**

**Please make sure to enter the building through the pool lobby doors only.**
